Course Requirements

Two 6–12 page papers (see my e-mail for a discussion of what this new length requirement means), due Thur., Nov. 6 and Wed., Dec. 10. There will be a discussion section with Adam, time to be arranged. This is optional but recommended. (For graduate students there will be different requirements, see me.)

Texts

Carnap, *The Logical Structure of the World* (known, following its German title, as “the *Aufbau*”).

Kuhn, *The Structure of Scientific Revolutions*.

Popper, *The Logic of Scientific Discovery*.

The above texts should be available at the Seminary Coop Bookstore (5757 S. University Ave.). Readings not on the above list will be made available as photocopies and/or on e-reserve.
