

What the marks on your paper mean

 Straight line check mark (Grammar and usage)	 Squiggly check mark (Style)
The subject and verb don't agree	Confusing. I can't understand your argument.
Sentence fragment	Awkward construction. The sentence or paragraph does not flow well.
Improper use of commas.	Ambiguous. Your statement is open to multiple interpretations.
Disagreement between the subject and verb.	Empty statement. The construction may be correct, but the idea contributes nothing to the paper.
Missing words	Non-sequitor. The conclusion does not follow from the assumptions or premises.
Spelling	Unnecessary use of passive voice.
Other errors of accuracy	Your meaning is cloudy.
