PROPOSAL

CUSTOMER: UCSC

PROJECT: Interdisciplinary Building room 105A

DATE: 5-27-03

ATTENTION: Courtney Grazian

This is for the installation of two 5-20R receptacles with conduit and wire and one L5-30R receptacle on the telecom racks. We will pull the wire for these circuits from the panel on the 4th floor.

Base price: \$1,260.00

Thanks, Don Taber
Director of Operations
