

Resources for you and your students

September 19, 2022

Ian May

Department of Applied Mathematics
University of California Santa Cruz

Santa Cruz, CA

Campus provided resources

- Resources for your students
- Resources for you

Additional resources

- Learning more about equity in education
- Planning materials
- Pedagogy resources

Disability resource center (DRC)

- <https://drc.ucsc.edu/>
- Seeks to provide equal educational access for students with disabilities
- Also a good resource for advice on creating course materials

Learning support services (LSS)

- <https://lss.ucsc.edu/>
- Provides tutoring services
- Large and small groups, as well as study hall

Educational opportunity programs (EOP)

- <https://eop.ucsc.edu/>
- Lots of useful programs to help various marginalized groups succeed
- Black men's initiative
- Textbook lending library
- Graduate information program
- Pathways to research
- First generation initiative
- Undocumented student services

Counseling and psychological services (CAPS)

- <https://caps.ucsc.edu/>
- Provides mental health services to all students, faculty, and staff
- Has a 24 hour crisis support line: (831) 459-2628

Campus advocacy resources and education

- <https://care.ucsc.edu/>
- Better covered in the title IX training

Slug support

- <https://deanofstudents.ucsc.edu/slug-support/slug-support-case-manager/index.html>
- Somewhat of a catch-all reference

These slides and the references therein

- I'll post these online shortly
