Weekly 3 (Due Friday 8/22 at 11:59PM)

Overview: This assignment is worth 40 points. Each question has multiple parts and each part is worth 4 points. The grader determines your score for each part of each problem using the Weekly Assignment Rubric. Specifically, the grader will be looking for evidence of conceptual understanding, correct mathematical reasoning, and excellent written-communication.

Guidelines: You are required to adhere to the Weekly assignment guidelines and the assignment submission guidelines, both of which can be found on Page 3 of the syllabus. If you fail to follow the guidelines, you risk receiving no credit for you work. Turn in your assignment via gradescope.

Directions: Complete the following exercises from the Active Calculus textbook. You can click the links below to go directly to the exercise.

- 1. (16 points) Excercise 10.4.11.
- **2.** (8 points) Excercise 10.5.13.
- **3.** (16 points) Exercise 10.6.15.
