Problem Set 5

1. In chapter 16, some good study problems are 3, 4 and 5.

2. In chapter 17, some good study problems are 5, 6 and 7 (dated, but good for understanding expectations).

3. In chapter 19, work through problems 7 and 8.

4. Do problems 5 and 6 of chapter 20. Problem 7 extends the material in the chapter on interest parity some.

5. In chapter 21, study problems 3 and 4.
