

Stephanie Rich

skrich@ucsc.edu | people.ucsc.edu/~skrich/

Education

- University of California, Santa Cruz** Fall 2018 - present
Department of Linguistics
Ph.D. Student
- University of Massachusetts, Amherst** Fall 2012 - Spring 2016
Commonwealth Honors College
B.A. Linguistics & Psychology
Minors: Classics; Russian

Publications

JOURNAL

- Harris, J., **Rich, S.**, & Rigby, I., 2020. Contextual constraint and lexical competition: The misperception hypothesis revisited. *Journal of Experimental Psychology: Human Perception and Performance*.
- Frazier, L., Clifton Jr, C., **Rich, S.**, & Duff, J., 2018. Anticipating Negation: The Do's and Don'ts of Neg Raising. *Syntax*.

PROCEEDINGS

- Kingston, J., **Rich, S.**, Shen, A., & Sered, S., 2015. Is perception personal? In *Proceedings of the 18th International Congress of Phonetic Sciences*. International Phonetic Association, London, UK.

MANUSCRIPTS

- Rich, S.** & Harris, J. A. in prep. Lexical prediction in concessive contexts.
- Harris, J. A. & **Rich, S.**, 2018. Los Angeles Reading Corpus of Individual Differences. Hosted on the *Open Science Framework*.

Presentations

CONFERENCE PRESENTATIONS

- Rich, S.** & Wagers, M., 2020. Semantic similarity and temporal contiguity in subject-verb dependency processing. Talk at The 33rd Annual CUNY Conference on Human Sentence Processing. Amherst, MA.
- Sloggett, S., Van Handel, N., Sasaki, K., Duff, J., **Rich, S.**, Orth, W., Anand, P., Rysling, A. 2020. "Ambiguous" isn't "underspecified": Evidence from the Maze task. Poster at the 33rd CUNY Conference on Human Sentence Processing. Amherst, MA.
- Rich, S.** & Wagers, M., 2019. Disentangling encoding interference from retrieval interference. Poster at The Third Annual California Meeting on Psycholinguistics. Santa Cruz, CA.
- Rich, S.** & Harris, J. A., 2019. The limits of forward thinking: Structural prediction with

correlative and quantificational *both*. Talk at Psycholinguistics in Iceland – Parsing and Prediction. Reykjavík, Iceland.

Harris, J. A. & **Rich, S.**, 2019. Evidence for lingering structural prediction in ‘either-or’ structures. Poster at the Psycholinguistics in Iceland – Parsing and Prediction. Reykjavík, Iceland.

Rich, S. & Harris, J. A., 2019. Thinking ahead has its limits: Structural prediction with correlative and quantificational *both*. Poster at The 32nd Annual CUNY Conference on Human Sentence Processing. Boulder, CO.

Rich, S. & Harris, J. A., 2018. Lexical and structural predictions during online processing: The case of partitive *both*. Talk at The Second Annual California Meeting on Psycholinguistics. Los Angeles, CA.

Rich, S. & Harris, J. A., 2018. Local constraint is inhibited by global constraint in concessive contexts. Poster at The 31st Annual CUNY Conference on Human Sentence Processing. Davis, CA.

Rich, S. & Harris, J. A., 2018. Disconfirmed lexical predictions linger in highly constraining contexts. Poster at The 31st Annual CUNY Conference on Human Sentence Processing. Davis, CA.

Rich, S. & Harris, J. A., 2017. Disconfirmed lexical predictions linger in highly constraining contexts. Talk at The First Annual California Meeting on Psycholinguistics. Los Angeles, CA.

Harris, J. A., **Rich, S.**, & Rigby, I., 2017. Predictability and misperception: An eye movement and ex-Gaussian analysis. Poster at The 30th Annual CUNY Conference on Human Sentence Processing. Boston, MA.

Harris, J. A. & **Rich, S.**, 2017. Predicted analyses linger: The case for structural prediction with *either-or* structures. Poster at The 30th Annual CUNY Conference on Human Sentence Processing. Boston, MA.

Duff, J., Frazier, L., Clifton Jr, C., & **Rich, S.**, 2017. Anticipating negation: Experimental evidence for a semantic account of Neg raising. Poster at The 30th Annual CUNY Conference on Human Sentence Processing. Boston, MA.

Kingston, J., **Rich, S.**, Shen, A., & Sered, S., 2015. Is perception personal? Talk at The 18th International Congress of Phonetic Sciences. Glasgow, UK.

INVITED

Harris, J. A. & **Rich, S.**, 2017. Predicted analyses linger: The case for structural prediction with *either-or* structures. Talk at Language Processing Lab Meeting. USC, Department of Linguistics. Los Angeles, CA.

UNDERGRADUATE

Rich, S., 2016. Why not *Both*? Incremental Processing of Syntactic and Semantic Ambiguities. Poster at The 22nd Annual Undergraduate Research Conference. Amherst, MA.

Experience

RESEARCH POSITIONS

Código fieldwork software Summer 2019
Developing neo4j backend
University of California, Santa Cruz
PIs: Drs. Pranav Anand and Maziar Toosarvandani
Graduate Research Assistant

Language Processing Lab Fall 2016 - Summer 2018
University of California, Los Angeles
PI: Dr. Jesse Harris
Lab Manager

Sentence Processing Lab Spring 2014 - Spring 2016
University of Massachusetts, Amherst
PIs: Drs. Lyn Frazier and Charles Clifton, Jr.
Undergraduate Research Assistant

Phonetics Lab Fall 2013 - Spring 2016
University of Massachusetts, Amherst
PI: Dr. John Kingston
Undergraduate Research Assistant

NSF Grant BCS-0813829 Fall 2014 - Spring 2015
*Investigations in Optimality Theory:
Typology, Learning, and Modeling*
University of Massachusetts, Amherst
PIs: Drs. Joe Pater and John McCarthy
REU Participant

Laboratory for Quantitative Medicine Summer 2011
*Survival trends in childhood hematological
malignancies (Rich et al., 2012)*
Massachusetts General Hospital
PI: Dr. John Michaelson
Summer intern

NON-DEGREE TRAINING

**31st European Summer School in Logic, Language,
and Information** August 2019
University of Riga, Latvia

TEACHING ASSISTANTSHIPS

Linguistic Models for Computer Scientists, instructor: Pranav Anand Winter 2021
Semantics I, instructor: Tom Roberts Fall 2019

MENTORSHIP

Project: Semantic encoding in memory Fall 2019 - present
Undergraduate Research Assistant: Ashley Ippolito

Grants and Awards

National Science Foundation Graduate Research Fellowship Graduate funding for three years	2018-2023
UMass Commonwealth Honors College Research Grant Research funds to support undergraduate honors thesis	Spring 2016
Eta Sigma Phi Classics Honors Society	2013
John and Abigail Addams Scholarship Merit-based scholarship towards university tuition	2012-2016

Service

DEPARTMENTAL

Colloquium committee, UC Santa Cruz Co-chair of the hospitality sub-committee	Fall 2019 - Spring 2020
s/lab (Syntax, Semantics, and Language Processing Lab) Co-coordinator	Spring 2019 - Spring 2020

CONFERENCE ORGANIZATION

Annual Meeting on Phonology (AMP)	2020
California Meeting on Psycholinguistics (CAMP)	2017, 2019

REVIEWING

California Meeting on Psycholinguistics (CAMP)	2017-2020
--	-----------

Skills

Computer languages	R, Python
Software & Tools	EyeTrack, ExperimentBuilder, OpenSesame, IbexFarm, Linger, PsychoPy, Praat, L ^A T _E X
Languages	English (native), Russian (heritage), French (reading), Latin (reading)
