Frank J Koch III
University of California Santa
51 Communications Building
Santa Cruz, CA 95064

Quote N^o: 21337
Date: 4/18/03
Expiration Date: 5/3/03
Prepared by: John Murphy

OVERVIEW

TMS is pleased to provide a quote on all labor and material for the structured wiring plant to be installed for University of California Santa at 51 Communications Building in Santa Cruz CA.

SCOPE OF WORK

1. TMS will install (2) 19" x 7' relay rack(s) in Comm Bldg. The racks will be seismic braced to the floor and a 12" runway will be attached on top to the near wall to provide additional stability and a cable pathway to the rack.
