Advice Letter No. 28784

Public Utilities Commission of the State of California

AT&T California transmits a modification of a contract for filing.

In compliance with Section III. G. of General Order No. 96-A, we are mailing a copy of this advice letter to competing and adjacent Utilities and/or other Utilities, and interested parties, as requested. Also in compliance with Section X.A. of General Order 96-A, we are mailing a copy of this advice letter to each customer named in the contract. In addition, we are sending an e-mail copy of this advice letter to parties as requested. This advice letter with attachments may be viewed on AT&T California’s Web-Site https://ebiznet.AT&T.com/calreg. If there are any questions regarding the distribution of this advice letter call 415-778-1299.

Anyone may protest this advice letter to the California Public Utilities Commission. The protest must set forth the specific grounds on which it is based. A protest must be made in writing and received within 20 days of the date this advice letter was filed with the Commission. The address for mailing or delivering a protest to the Commission is:

Director, Telecommunications Division
505 Van Ness Avenue, Room 3210
San Francisco, CA  94102

If you have e-mail capability, the protest must also be e-mailed to the Telecommunications Division at TD_PAL@cpuc.ca.gov. A copy of the protest must be mailed or faxed (415.543.3766) to AT&T California on the same date it is mailed or delivered to the Commission. If this advice letter was served via e-mail, the protest must be served to AT&T California via e-mail at regtss@att.com.

In accordance with D.06-08-030, this contract is effective August 23, 2006, the date of the last signature in the contract.

Yours truly,

AT&T California

Executive Director

Attachment
This Modification No. 1 ("Modification") of Addendum No. 3 of the Master Agreement For Provision, Installation and Maintenance of Telecommunications Service is dated _Aug, 23_, 2006, and is between Pacific Bell Telephone Company dba AT&T California ("AT&T") and (“Customer”). Commencing in early 2006, Pacific Bell Telephone Company changed its principal dba from “SBC California” to “AT&T California”.

WHEREAS, AT&T and Customer entered into a Master Agreement For Provision, Installation and Maintenance of Telecommunications Service, dated January 16, 2003 ("Agreement"); and

WHEREAS, Addendum No. 3 to the Agreement, dated July 24, 2006, provides for the provision of telecommunication services to Customer; and

WHEREAS, the parties desire to make changes to further clarify the terms of Addendum No. 3.

NOW, THEREFORE, the parties intending to be legally bound, mutually agree that Addendum No. 3 is hereby modified as follows:

1. Section II is modified to add new Section II. C., Additional Service Locations, as follows:

   “C. Additional Service Locations

Subject to the availability of equipment and facilities (including outside plant, cable, capacity and memory), AT&T shall provide and Customer shall subscribe to Service at Customer’s locations within AT&T’s franchise territory in the State of California. OPT-E-MAN service shall be provided only at the locations identified in Exhibit 1 to this Addendum.”

2. Section IV. is modified to add the following as the second sentence in the paragraph as follows:

   “AT&T will provide additional Service as further described in Section V.B. below.”

3. Section V is modified by renumbering to Section V.B – Changes in Scope to Section V. C – Taxes and Surcharges to Section V. D – Services Not Included to Section V. E, and by adding a new Section V. B - Price(s) for Additional Service as follows:
“B. Price(s) for Additional Service

The minimum quantities of OPT-E-MAN® Service at the Additional Service Locations as set forth in Section II.C above is as follows:

1.

</tbody>
</table>

Monthly Price  $2,800.00

Customer has elected to pay on a monthly basis for the term of this Addendum. The monthly price set forth above is for the minimum quantity of Service as set forth and described in subsection V.B 1. above. The term for the minimum quantities shall run for five years from the date all minimum quantities are installed and available for use. The price includes the monthly service charge for the minimum quantities. The price also includes the nonrecurring charge to initially provision and install the minimum quantities as set forth in the table above. Installation of the Minimum Quantity shall commence upon request of the Customer but no later than November 15, 2006. In the event the Minimum Quantity is not installed on or before November 15, 2006, due to delays caused by Customer, AT&T shall commence billing Customer the Monthly Price as if the Minimum Quantity had been installed as of November 15, 2006.

If Customer elects to decrease the Service to less than the minimum quantities described in this Section V.B. above, Customer will continue to pay the monthly price set forth above.

Except as specifically set forth above, Customer will pay the prevailing tariff nonrecurring charge for all installations, adds, moves and changes of the Service provided hereunder at the time of the installation, add, move or change.”
This Modification shall become effective upon California Public Utility Commission ("CPUC") approval and shall remain in full force and effect for the term of the Agreement. Except as modified by this Modification, all of the terms and conditions of the Agreement shall remain in full force and effect.

Pursuant to CPUC General Order 96-A, this Modification shall at all times be subject to such changes or modifications as the CPUC may from time to time direct in the exercise of its jurisdiction.

IN WITNESS WHEREOF, the parties hereto have caused this Modification No. 1 to be executed by their respective duly authorized representatives.
